

# Quick guide

## Injected or infused medications dispensed by Aetna Specialty Pharmacy®

Aetna Specialty Pharmacy makes it easy for physicians to order injected or infused specialty medications.

### Working together to manage member care

Work with a participating specialty pharmacy, like Aetna Specialty Pharmacy, to identify and transition each member's prescribed:

- Injected or infused medication
- Service authorization
- Delivery coordination
- Clinical oversight

### DESCRIPTION OF AETNA SPECIALTY PHARMACY

Aetna is the brand name used for products and services provided by one or more of the Aetna group of subsidiary companies. The Aetna companies that offer, underwrite or administer benefits coverage include: Aetna Health Inc., Aetna Health of California Inc., Aetna Health Insurance Company of New York, Aetna Health Insurance Company and/or Aetna Life Insurance Company (Aetna).

All member care and related decisions are the sole responsibility of the physician, and this information does not dictate or control physicians' clinical decisions regarding the appropriate care of members.

Aetna Specialty Pharmacy refers to Aetna Specialty Pharmacy, LLC, a subsidiary of Aetna Inc., which is a licensed pharmacy that operates through specialty pharmacy prescription fulfillment.
